The Building

Runway Logistics Park Development

Runway Logistics Park is a state-of-the-art industrial development designed to meet the needs of modern logistics and distribution businesses. The park offers premium warehouse facilities with generous height-to-eaves clearance, wide roller shutter doors for efficient loading and offloading, and expansive yard areas to accommodate truck maneuvering and container storage. Each unit is equipped with three-phase power, advanced security systems, and backup utilities to ensure uninterrupted operations. Strategically located near major transport routes and in close proximity to key airports and highways, Runway Logistics Park provides exceptional connectivity for regional and national distribution. With scalable space options, modern office components, and a secure, access-controlled environment, this development is ideal for companies seeking a high-performance logistics hub in a prime industrial location.

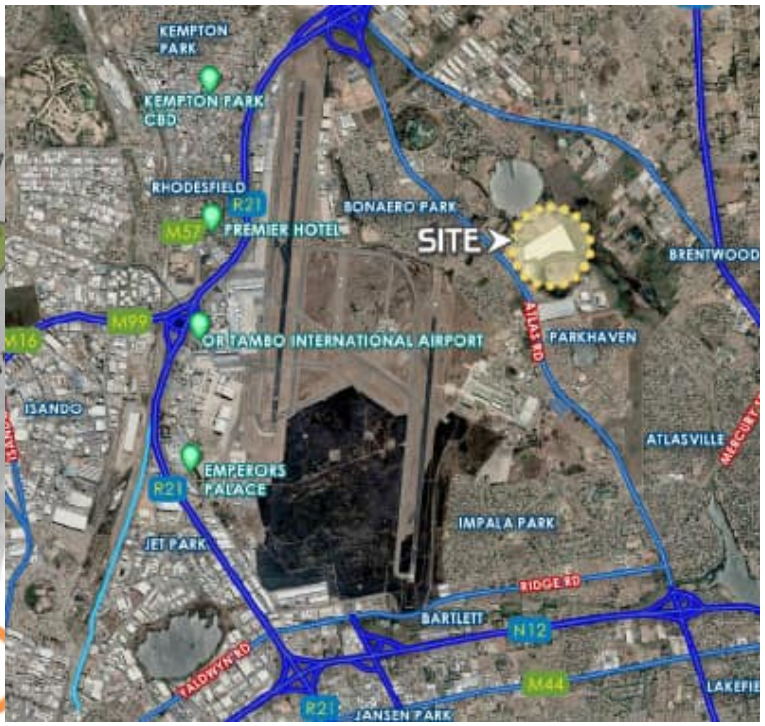

Features
Adjacent to OR Tambo airport | Secure access | New development | Access to R21, N12 and N3
