The Building

Kraft Industrial Park 1

Kraft Industrial Park in Germiston is a substantial multi-tenanted industrial complex designed to accommodate large-scale warehousing, manufacturing, and logistics operations. The property offers expansive floor plates with high eaves, durable steel structures, and multiple roller shutter doors that support efficient goods handling and storage. Its layout includes wide yards and circulation routes, making it ideal for heavy vehicle access, loading, and distribution. Complementing the industrial facilities are office components that provide administrative support within the same site, ensuring seamless integration of operations. Strategically located along Kraft Road in Elandsfontein, the park enjoys excellent connectivity to major highways and transport networks, positioning it as a prime hub for businesses requiring regional and national reach. With its scale, infrastructure, and accessibility, Kraft Industrial Park stands out as a versatile and reliable industrial property in Germiston's thriving logistics corridor.
