The Building

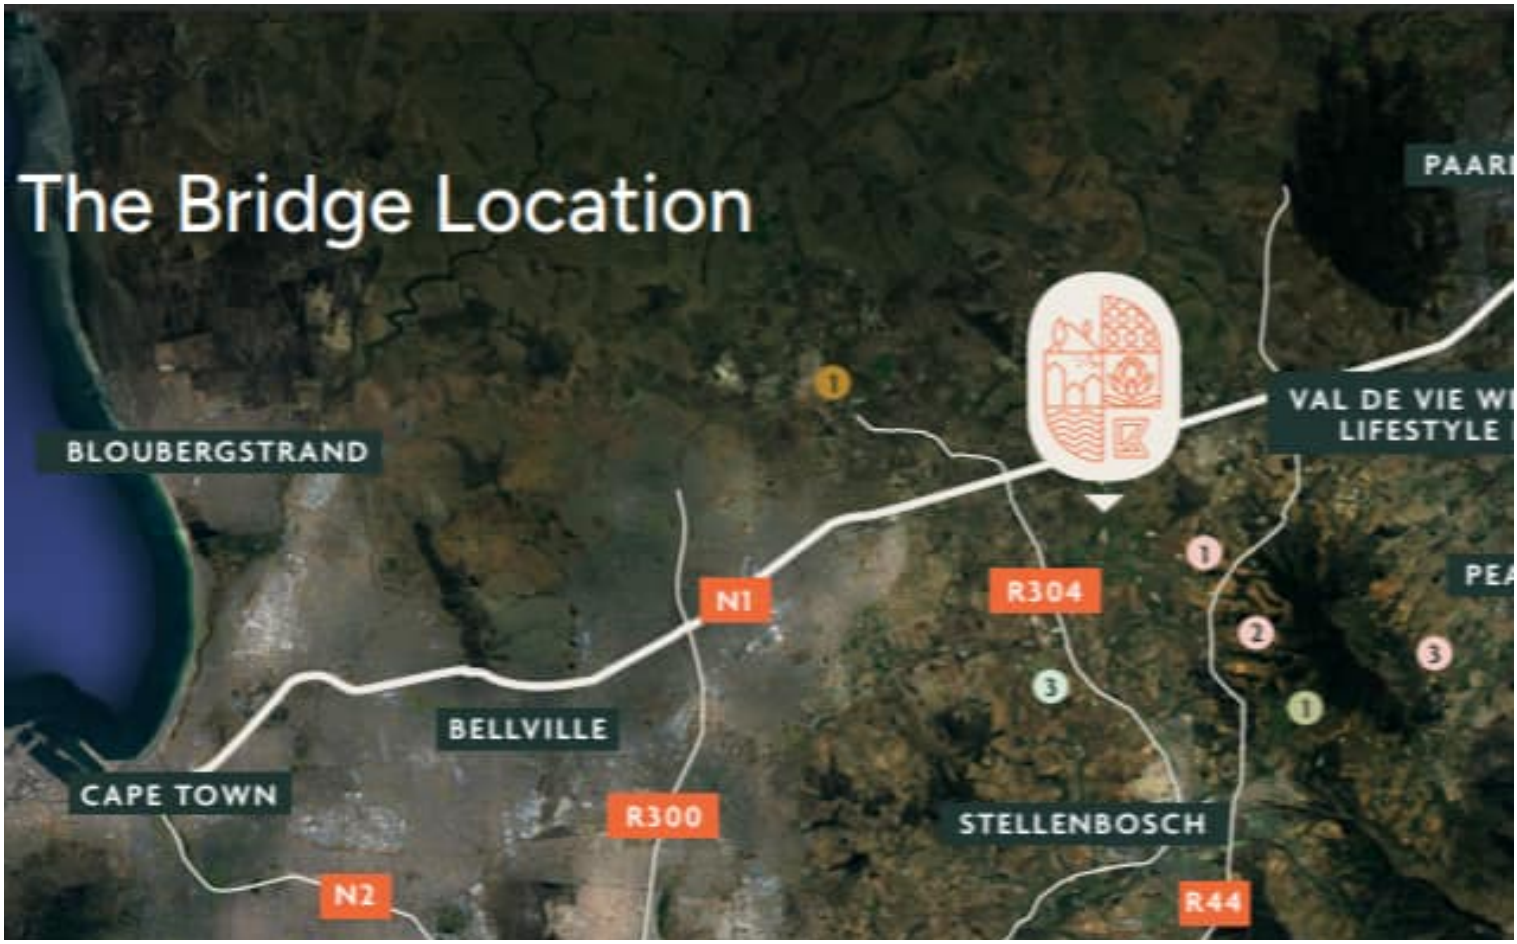

The Bridge Development (Stellenbosch)

Situated within the multi-use Bridge Development at Koelenbosch Country Estate, Precinct 3 presents a flexible industrial solution tailored to growing logistics, warehousing, or light manufacturing operations. This precinct offers warehouse space ranging from approximately 4,000 m^2 to 11,000 m^2, with the option to occupy either two separate buildings or a single large facility, depending on operational needs. The site is designed to accommodate modern industrial requirements, with generous yard space, efficient circulation, and potential for custom fit-outs. Located near Stellenbosch and easily accessible via the R304 and N1, the development combines rural tranquility with logistical convenience, making it ideal for businesses seeking scalable space in a secure, well-connected estate.
